Larlee Creek Hullabaloo: Celebrating East Coast Artists

Perth-Andover, NB June 24, 2010 -- The Larlee Creek Hullabaloo will host its 3rd annual music festival along the banks of the beautiful St. John River on August 20-21, 2010 in Perth-Andover, NB. One of the hottest and fastest growing music festivals on the East Coast, The Larlee Creek Hullabaloo is a two day musical experience featuring some of Eastern Canada's most talented musicians representing genres of Blues, Rock, Country, Blue Grass, Folk and anything in between. With performances ranging from individual acts, to song writers circles to the all-out musical free-for-all known as the Big Hullabaloo audiences get to see the artists in several settings in an intimate outdoor setting and the professional sound and stage crews make sure that the music is concert hall quality.

The 2010 line-up includes performances by Matt Andersen, Dave Carroll, The Divorcees, The Stanfields, The Downtown Blues Band, Sherman Downey, Sleepy Driver, Irish Mythen and more!

The well-appointed festival grounds include: food, artisan and community vendors, CD and merchandise sales, face painting and a beer tent to satisfy the needs of all hullabaloo'ers. Located adjacent to Baird's campground ensures the audience has easy access to accommodations as well as the festival.

The Larlee Creek Hullabaloo is a not-for-profit organization. Festival Chairperson Heidi Baird founded the Larlee Creek Hullabaloo in 2008 to create a multi genre event celebrating East Coast musicians in a region exposed primarily to American Top-40 radio and where few opportunities exist for live musical performances.
